

Book Holder Installation Instruction Sheet

KC-016

* Please be sure to read before installing product.

* Do not dispose the installation sheet after installation, instead please pass it to the product user.

How to use

1. Open Swing Arm slightly and hook product onto Hanger Pole.
2. Ensure that Book Holder can both be folded properly and support it when Swing Arm is down.
3. Pull the bottom of Book Holder towards you and ensure that Swing Arm is fully down before placing your book on holder.

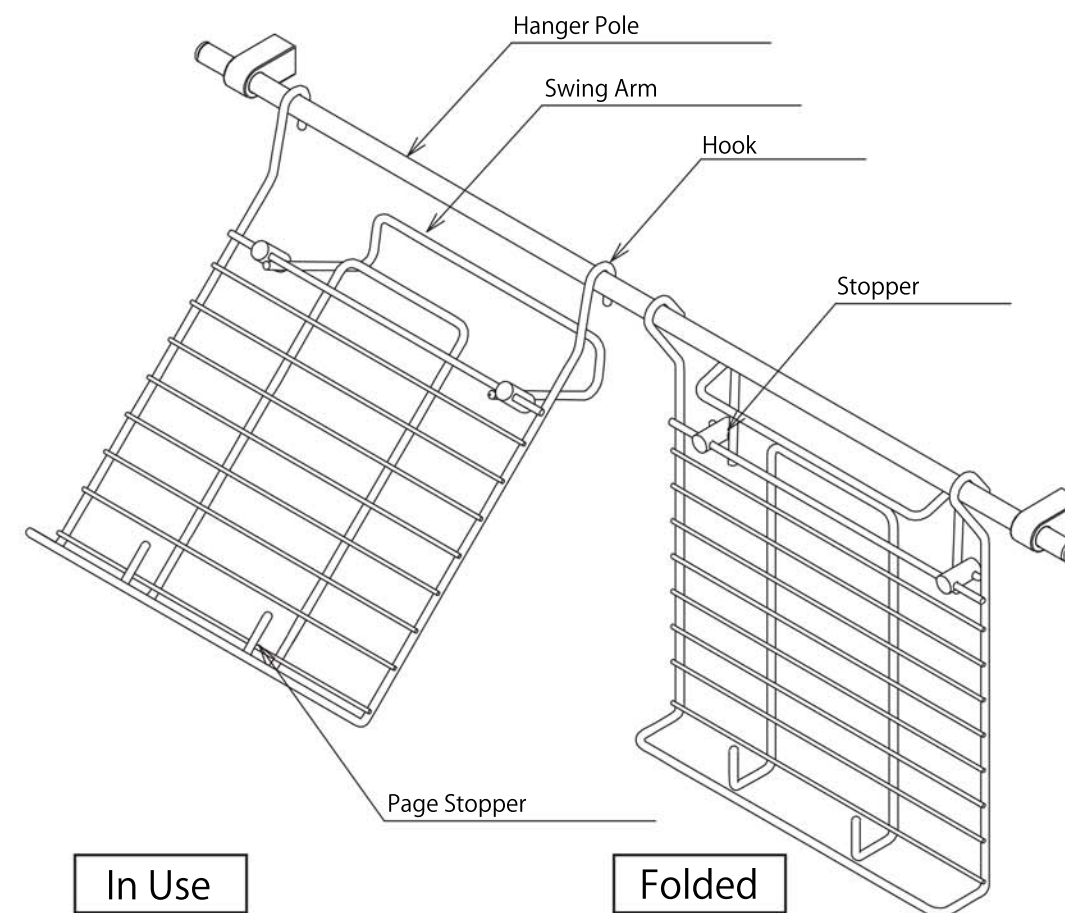

* To prevent book from sliding off holder, place it behind Page Stopper.

Caution: About product usage

- * Do not use product with other items that are not part of KAWAJUN's Kitchen Hanger System.
- * Use product only as a book holder.
- * Do not apply excessive force onto product.
- * The load capacity for this product is 3kg. Do not load heavier than the stated weight as it may cause product to warp.
- * Do not place items other than books onto product.
- * Wash product with dishwashing detergent before using.
- * Remove Book Holder from Hanger Pole before shifting it.
- * Do not remove Stopper as the pipes may scratch the wall.

Maintenance

- * Wash Book Holder if it gets dirty.
- * Do not use strong detergent or wire scrub to clean product as it may scratch it.
- * Leaving rusted items on product for a long period of time may cause the rust to spread.
