

Drainer Installation Instruction Sheet

KC-011

* Please be sure to read before installing product.

* Do not dispose the installation sheet after installation, instead please pass it to the product user.

How to use

Hook product onto Hanger Pole and use it while it is hanged.

Caution: About product usage

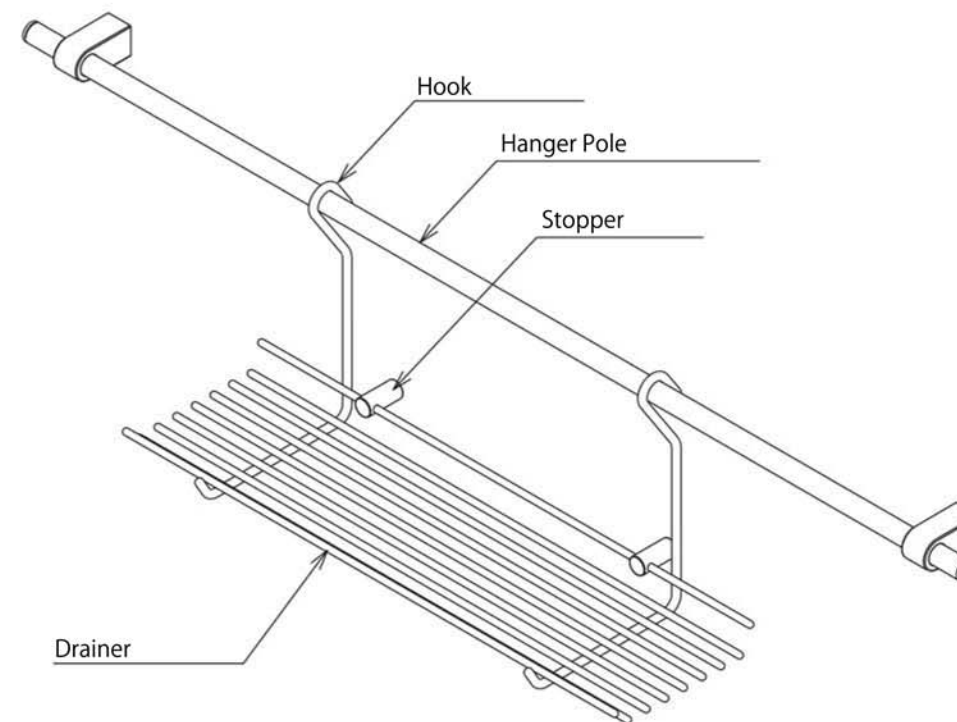

- * Do not use product with other items that are not part of KAWAJUN's Kitchen Hanger System.
- * Use product only as a drainer.
- * Do not apply excessive force onto product.
- * The load capacity for this product is 3kg. Do not load heavier than the stated weight as it may cause product to warp.
- * Do not place heavy dishes onto product.
- * Wash product with dishwashing detergent before using.
- * Remove Drainer from Hanger Pole before shifting it.
- * Do not remove Stopper as the pipes may scratch the wall.

Maintenance

- * Wash Drainer if it gets dirty.
- * Do not use strong detergent or wire scrub to clean product as it may scratch it.
- * Leaving rusted items on product for a long period of time may cause the rust to spread.
